UN-WEARABLE-DESIGN

Basics 2016 – 2021 is an exciting line of lightweight necklaces and earrings that make the ideal companion for almost every occasion or outfit. Their versatility and unique style projects a sense of freedom – a breath of fresh air. Beautifully crafted from stainless Steel coil springs, thermoplastic and 3D printed elements, which through a comprehensive process of cutting, twisting and bending, developed by the designer herself, are created into something truly unique and magnificent.

Originating from the “best of” the collections 2016 – 2021, they are available in variety of vibrant colours, including black, yellow, blue, green, white, and red.

Basics_ When you just need to be_yourself.
